Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for I-94 West in Jackson County in surface transportation reauthorization legislation.

The project sponsor for this project is Michigan Department of Transportation and the project is located at I-94 West from the Jackson/Calhoun County Line to Michigan Avenue in Jackson County, MI.

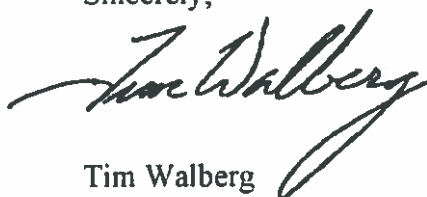

The funding is designated for a three-course asphalt resurfacing project on I-94 West from the Jackson/Calhoun County Line to Michigan Avenue in Jackson County, MI.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits:

- This resurfacing project will improve the safety of the drivers on the Michigan network.
- Resurfacing will create a smoother surface and save taxpayers from expensive auto repairs caused by poor road conditions.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
Member of Congress
