Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for US-127 and US-223 Resurfacing in surface transportation reauthorization legislation.

The project sponsor for this project is the Michigan Department of Transportation and the project is located at US-127 from Junction Road (Addison) North to US-223, Lenawee County, MI, 49220.

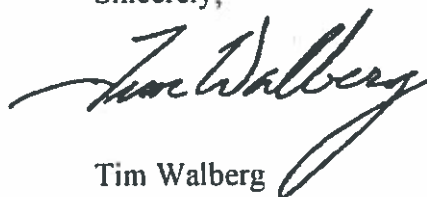

The funding is designated for a milling and to course asphalt resurfacing project on US-127 from Junction Road North to US-223 in Lenawee County, MI.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits:

- This resurfacing project will improve the safety of the drivers on the Michigan network.
- Resurfacing will create a smoother surface and save taxpayers from expensive auto repairs caused by poor road conditions.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg  
Member of Congress
