Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Otter Creek Rd over I-75 N in the surface transportation reauthorization legislation.

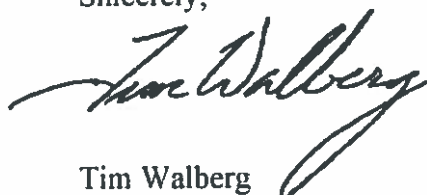

The project sponsor for this project is the Michigan Department of Transportation and the project is located at Otter Creek Rd over I-75 N in Monroe County, MI 48145.

The funding is designated for an overlay-epoxy bridge preservation project on Otter Creek Rd over I-75 N in Monroe County, MI.

The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of the drivers on the Michigan network.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
