Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Plank Road over US-23 in the surface transportation reauthorization legislation.

The project sponsor for this project is the Michigan Department of Transportation and the project is located at Plank Road, Milan, MI, 48160.

The funding is designated for a bridge replacement project on Plank Road over US-23.

The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of the drivers on the Michigan network.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg  
Member of Congress
