Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Ready Rd over I-75 in the surface transportation reauthorization legislation.

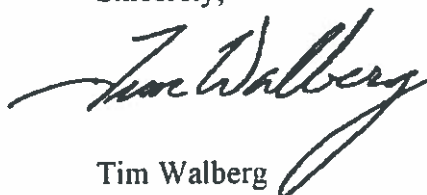

The project sponsor for this project is the Michigan Department of Transportation and the project is located at Ready Road, South Rockwood, MI 48179.

The funding is designated for an overlay-epoxy bridge preservation project on Ready Rd over I-75.

The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of the drivers on the Michigan network.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
Member of Congress
