The Honorable Rosa L. DeLauro

Washington, DC 20515

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
1016 Longworth House Office Building
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Pearl Loop North Branch Water Transmission Main in fiscal year 2022.

The entity to receive funding for this project is the City of Jackson, Michigan, located at 161 W. Michigan Ave, Jackson, MI 49201.

The funding would be used to construct a new 16" ductile iron pipe in the Pearl Loop of the North Branch Water Transmission Main and abandon the existing 20" cast iron Water Transmission Main built in 1926, that runs through the train station property. The project will protect the historic train station and allow for adequate water flow and pressure to the northeast section of the City.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
Member of Congress
