Dear Chair DeLauro and Ranking Member Granger:

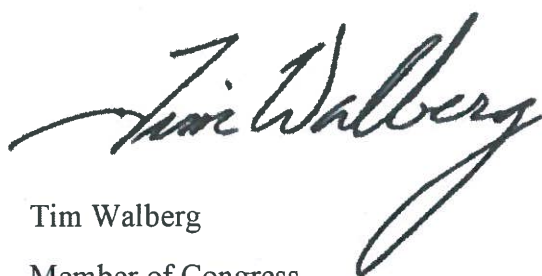

I am requesting funding for the Wastewater Treatment Plant Membrane System and Capital Improvements in Leoni Township for fiscal year 2022.

The entity to receive funding for this project is Leoni Township, located at 913 Fifth Street, Michigan Center, MI 49254.

The funding would be used to make improvements to the Leoni Wastewater Treatment Plant to improve reliability of the effluent water quality discharged into the waters of the State, and increase efficiency, reduce energy usage, and make needed improvements to the emergency lagoon infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
