The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hupp-Morrell Water Transmission Connector in fiscal year 2023.

The entity to receive funding for this project is the City of Jackson, Michigan, located at 161 W. Michigan Ave, Jackson, MI 49201.

The funding would be used to construct a new 16" water main replacing water mains installed as far back as 1919. This project is crucial to the health, safety and welfare of the residents of the City of Jackson and would allow for the access to safe drinking water to both the residential and industrial users in the southeast section of the city. This project will allow for economic growth in this area of the city by having the ability to better serve more users throughout the southeast section of the city.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
