The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Jackson County Airport Terminal Building Update in fiscal year 2023.

The entity to receive funding for this project is the Jackson County Airport-Reynolds Field, located at 3606 Wildwood Ave, Jackson MI 49202.

The funding would be used to rehabilitate the terminal building which was constructed in 1962 and is in urgent need of updating. The project would remove asbestos, improve energy efficiency, and make the building fully compliant with ADA accessibility. With an estimated annual economic impact of over \$35,000,000, the airport serves as a welcoming building to those using the Airport. The Jackson County Airport is the number one County General Fund Agency in the economic development category, and economic development is a top priority for the county.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
