The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Napoleon - M-50 Water Transmission Main in fiscal year 2023.

The entity to receive funding for this project is the City of Jackson, Michigan, located at 161 W. Michigan Ave, Jackson, MI 49201.

The funding would be used to construct a new 16" water main of approximately 9 ½ miles long along M-50 to Napoleon Township. Napoleon Township is in desperate need of water system improvements as they are outgrowing their existing system. This project would help Napoleon Township provide safe drinking water to both their residential and non-residential users, and is crucial to the public health, safety and welfare of the residents of Napoleon Township.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
