Dear Chair DeLauro and Ranking Member Granger:

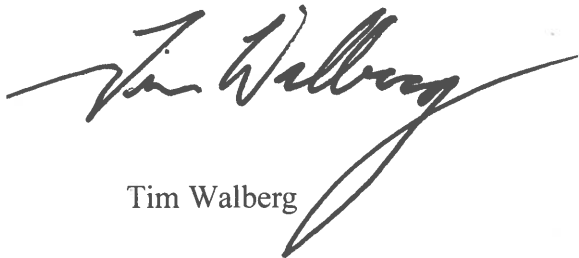

I am requesting funding for Improving STEM Education at Siena Heights University in fiscal year 2023.

The entity to receive funding for this project is Siena Heights University, 1247 E. Siena Heights Dr., Adrian, MI 49221.

The funding would be used to upgrade its existing lab spaces on campus to ensure that its facilities provide a teaching environment that is in line with industry standards and is essential to students' success and growth as scholars and professionals. With suitable and modern space, configured and outfitted in a best-practice learning environment, Siena Heights can better train its STEM students to be workforce ready.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tim Walberg
