The Honorable Kay Granger
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the MLK Corridor Utilities Project in fiscal year 2024. The entity to receive funding for this project is the City of Jackson, located at 161 W. Michigan Ave, Jackson, MI 49201. The funding would be used to replace antiquated water mains, lead service lines, and sanitary sewers on Martin Luther King Jr. Drive. The project is an appropriate use of taxpayer funds because it would help provide clean water and proper sewage conveyance to Jackson residents by replacing lead pipes that are over 100 years old and provide adequate water capacity.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tim Walberg
Member of Congress
