The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Calhoun County Rural Road Infrastructure Project. The entity to receive funding for this project is the Calhoun County Government, located at 315 West Green Street, Marshall MI 49068. The funding would be used to address significant deterioration of rural road infrastructure in Lee, Clarence, and Sheridan Townships.

The project is an appropriate use of taxpayer funds because the roads in this portion of Calhoun County were designed decades ago for low-volume rural traffic and are no longer structurally capable of supporting sustained heavy vehicle use.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Tim Walberg
Member of Congress
