Chair  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

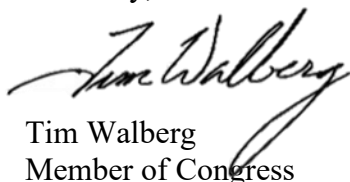

I am requesting funding for the Battlefield Parkway Project. The entity to receive funding for this project is the City of Monroe, located at 120 East First Street, Monroe, Michigan, 48161. The funding would be used to realign Detroit Avenue from a straight north and south road, eastward toward I-75 and reconnecting into East Elm Avenue.

The project is an appropriate use of taxpayer funds because rerouting the roadway will allow for a contiguous piece of battlefield land, enhancing the visitor experience, creating safer pedestrian spaces and allow visitors to enjoy the Park without traffic.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C Section 133.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Tim Walberg  
Member of Congress
