The Honorable Kay Granger
Chair
Committee on Appropriations

Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the New Fire Station Project in fiscal year 2024. The entity to receive funding for this project is the Village of Constantine, located at 115 White Pigeon Street, Constantine, MI 49042. The funding would be used to build a new fire station. The project is an appropriate use of taxpayer funds because the current fire station is becoming increasingly unsafe and structurally unsound. A new fire station is needed to ensure the Village can provide residents with emergency fire and rescue services.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code Section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tim Walberg

Member of Congress
