The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the New Police Facility Project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Grand Beach, located at 48200 Perkins Blvd, Grand Beach Michigan 49117. The funding would be used to construct a new police facility to jointly serve adjacent Villages in Berrien County.

The project is an appropriate use of taxpayer funds because constructing a new facility that is more visible, efficient, and legally compliant will address operational and functional limitations created by the current facility, which will thereby improve safety for the residents of Grand Beach and Michiana communities.

The project has a federal nexus because the funding provided is for purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Tim Walberg
Member of Congress
