The Honorable Tom Cole  
Chair  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

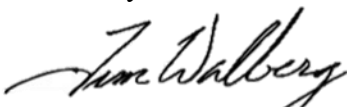

I am requesting funding for the Madison Township Regional Public Safety Training Center Project. The entity to receive funding for this project is the Madison Township Police Department, located at 4008 S. Adrian Highway, Adrian, Michigan 49221. The funding would be used to construct a two-story live fire training structure and purchase training equipment to support realistic emergency response training for firefighters, police officers, and other first responders.

The project is an appropriate use of taxpayer funds because it improves emergency preparedness, enhances firefighter and officer safety, and strengthens regional response coordination among public safety agencies serving Lenawee County and surrounding communities.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Tim Walberg  
Member of Congress
