The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Creek Drive and Lake Shore Drive Project in fiscal year 2024. The entity to receive funding for this project is the Village of Michiana, located at 4000 Cherokee Dr. Michiana, MI 49117. The funding would be used to replace water mains and a distribution pump. The project is an appropriate use of taxpayer funds because it will assist the Village to address aging infrastructure and provide better water quality and flow to residents. It would also address current insufficient capacity to meet the needs of existing and future village water customers.

The project has a Federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j- 12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tim Walberg
Member of Congress
