The Honorable Rosa L. DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Spring Arbor Wastewater Equalization Project. The entity to receive funding for this project is Spring Arbor Township, located at 107 E. Main St, Spring Arbor, Michigan, 49283. The funding would be used to update and expand crucial equalization equipment which controls the wastewater flow and maximizes use of existing infrastructure.

The project is an appropriate use of taxpayer funds because it protects public health and enables capacity for future economic growth.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Tim Walberg  
Member of Congress
