The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

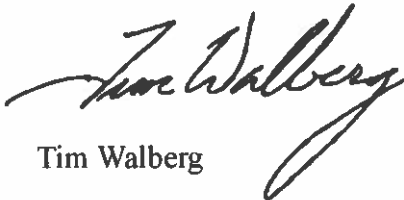

I am requesting funding for Whiteford Township Water Filtration Plant Project in fiscal year 2026. The entity to receive funding for this project is Whiteford Township, Monroe County, located at 8000 Yankee Road, Suite 100, Ottawa Lake, MI 49267. The funding would be used for providing potable water to numerous residences, existing businesses, and add equipment to increase capacity and redundancy to the existing water system and erect a water tower to improve reliability of the water supply.

The project is an appropriate use of taxpayer funds because this project will provide potable water to residents and businesses, and create jobs within the township.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42, U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tim Walberg

Member of Congress
