Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for US-12 over the Coldwater River Reconstruction in the surface transportation reauthorization legislation.

The project sponsor for this project is the Michigan Department of Transportation and the project is located at US-12, Coldwater, MI, 49036.

The funding is designated for a milling and two course asphalt resurfacing project on US-12 over the Coldwater River.

The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety of the drivers on the Michigan network.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
